

04-12-2023 Executive BOD Meeting

Communication and Engagement Committee Summary:

Sorry I am unable to deliver this in person but wanted to give a couple updates from our Committee. I asked Alice, our Board Liaison, to read this summary.

The Communication/Engagement Committee has been busy with the new monthly newsletter and keeping the website updated. We have been getting comments from residents that appreciate the Newsletter and how it feels like it makes us more like a community! Also, some are reaching out and asking for things to be written about that are concerns, which are helpful.

The website now has a page on the top header about paying your dues with Key Stone Management and all necessary links and the pdf guide to help.

If something needs to be uploaded to the website, or you see something incorrect, please reach out and let me know as some of you have done. I try and catch most things.

We are delivering a few baskets to a couple of new residents that moved in not too long ago and are excited to get this part of our committee going. We are hoping we will have a better system and communication of who is moving in so we can provide this service to our new neighbors. We updated the Contact Submission Form to be used at closings so information can be received more quickly.

Any important information from the Board or Sub-Committees that should be in the monthly newsletters are always welcome. We have been getting a few things and appreciate the comments. Thank you!

The next "Meet and Greet" is planned for Friday, June 16th at the pool for Happy Hour from 5:00 to 7:00 if weather looks good. Plan B is at the Kitchen! We have members on our Committee working on this event and come up with some ideas. Great time to meet our new neighbors.

Next Meeting is planned for Wednesday, May 3rd at 5:00 at the Kitchen

Thank you,
Rhonda Sageser
IPOA Chairperson
Engagement/Communication Committee
