any right or protection of a director in respect of any act or omission occurring prior to such repeal or modification.

**ARTICLE 6
INDEMNIFICATION**

The Association shall provide indemnification either directly or indirectly through insurance policies or otherwise, to the fullest extent permitted by law, for any individual who serves as a director, officer, employee or agent of the Association, or who serves at the request of the Association as a director, officer, partner, trustee, employee, or agent of any other foreign or domestic corporation or of any partnership, joint venture, trust, other enterprise or employee benefit plan, against liabilities and expenses such individual incurs in connection with holding such position.

Whenever such an individual seeks indemnification by the Association against any liability or expenses incurred in any threatened, pending or completed proceeding in which the individual is a party because he or she holds or has held any such position, the Association shall proceed diligently and in good faith to make a determination, in the manner permitted in the Colorado Revised Nonprofit Corporation Act, whether indemnification is permissible in the circumstances. If indemnification is determined to be permissible, the Association shall indemnify the individual to the fullest extent permissible, provided that any indemnification for expenses shall be limited to the amount found reasonable by an evaluation conducted in a manner permitted by the Colorado Revised Nonprofit Corporation Act.
