

WELCOME!

to the Ironbridge Community

On behalf of your neighbors and the Ironbridge Property Owners Association - WE welcome you to our community! We look forward to getting to know you as we cross paths on a walk, at the pool, out on the golf course or at one of the many other community activities. To minimize the paper, you will find fantastic information on two websites – the Ironbridge Property Owners Association and The Ironbridge Golf Club.

There are two facets to our Community – The Ironbridge Property Owners Association (IBPOA) and The Ironbridge Golf Club.

Our community website, <https://ironbridgepoa.com>, will be a great resource for you. Bookmark it for easy reference. You will find information on upcoming events and activities, resources and all the inner workings of our community. You will find our bi-laws and covenants, policies and procedures, agendas for board and committee meetings, our monthly newsletter and meeting minutes. You will also find contact information for our board members and property manager.

The IBPOA is a board governed group. The Ironbridge POA board has seven elected volunteers. They donate their time and service to our community and are dedicated to upholding the vision of Ironbridge.

The Design Review Board reminds you to follow all guidelines and form submittals before changing or adding any exterior things to your home like paint color, decks, landscape changes or fencing. Once you get settled in and acclimated, we invite you to participate in one of our committees, or eventually as a board member.

It takes everyone, showing up with their unique talents and passions to keep our community special.
